

WELCOME

to my website for AP Computer Science
Principles

LUCAS LAU

SWIMMING

I enjoy swimming and I am currently
on the swim team.

BASKETBALL

I like watching basketball games and
learning about the teams and how
they are doing.

VIDEO GAMES

I spend most of my free time playing
video games on my computer.

LEARNING

I enjoy learning new things about all
of the subjects

YOUTUBE

When I am not playing video games, I
watch Youtube videos on my free
time.
